INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97, and 1.98, disclosure is made of the following known related art listed in the accompanying Information Disclosure Citation, Form PTO-1449. According to the announcement made via the USPTO web site entitled "Information Disclosure Statements May Be Filed Without Copies of U.S. Patents and Published Applications in Patent Applications filed after June 30, 2003," no copies of the U.S. patent references are enclosed.

Applicants hereby cite the patents and/or publications on the attached form for consideration by the Patent and Trademark Office in regard to the claimed invention. By this notice, Applicants request that the Patent and Trademark Office make of record the documents listed. No representation is made that more pertinent material is not available or should not be considered by the Examiner. It is expected that the Patent and Trademark Office will

independently conduct a complete search of appropriate prior art. Furthermore, no admission is being made that these documents are prior art, and Applicants reserve the right to challenge any such conclusion.

Reference AC (page 1) for *"Information, Uncertainty and The Utility of Categories,"* M. Gluck and J. Corter, in Proc. Annual Conference of the Cognitive Science Society, Irvine, CA., was unavailable and its listing in the Information Disclosure Citation is Applicants' attempt to conform to their duty of good faith. The same is similarly true for reference AE (page 1) for *"Models of Incremental Concept Formation,"* J. H. Gennari, P. Langley, and D. Fisher, Artificial Intelligence, 40: 11-61, 1990. The same is similarly true for reference AH (page 3) for Frost & Sullivan, *US 3D Imaging Markets*, January 22, 2003.

Should there be any remaining or further questions, the Examiner is requested to please contact the undersigned directly. It is not believed that any additional fees are due. However, in the event additional fees are due, the Examiner is hereby authorized to charge Applicant's Attorney's Deposit Account No. 03-2030.

Respectfully submitted,

CISLO & THOMAS LLP
